

# **BreyerFest Open Show 2014 Classlist**

**Open Show Manager:** Michelle Masters

**Direct all show questions to:** [michelle4374@triad.rr.com](mailto:michelle4374@triad.rr.com)

All classes are limited to Breyer models only. **This page is only an overview of basic information. There is a document titled “General Information and Rules” that will explain the show’s guidelines in detail. All exhibitors are responsible for reading the information in that document carefully.** The other documents you will need to access are the Breed Classification List (which helps you determine which halter class to show your horse in) and the Registration & ID Tag Instructions (which tell you how to register your horses before the show). All documents are available on the Breyer website (registration info will be posted 5/1/14).

**Awards:** Flat ribbons are awarded 1<sup>st</sup> – 10<sup>th</sup> in all classes plus Honorable Mention at the Judge’s discretion; 1<sup>st</sup> – 6<sup>th</sup> in Collector’s Class receive rosettes. Tri-color rosettes are awarded to all sectional champions and reserve champions. Overall Divisional champions and reserve champions receive large tri-color rosettes. Breyer model prizes to be announced at the show. The Breyerfest Open Show is a NAMHSA member show, and 1<sup>st</sup> & 2<sup>nd</sup> place winners in all eligible classes will receive NAN cards.

**Entry Limits:** Each exhibitor is limited to 50 models total, unless you are registered for the Collector’s Class, which allows you to register an additional five (5) show horses. Each exhibitor is limited to two (2) models per class and each model is limited to one (1) halter class.

**Definition of Original Finish (OF):** An original finish model is any Breyer model that has not been altered in any way after leaving the factory. It should not have been painted, reshaped, epoxied, sculpted, etched, haired, or otherwise remade in any way. The model may not have any substance applied to it, such as nail polish, gloss finish or paint.

**Definition of Customized (CM):** A customized model is any Breyer that has been painted, reshaped, epoxied, sculpted, etched, haired, or otherwise remade in any way. At this show, a customized model must be a Breyer. Resin or cast parts, or body parts (such as head/neck or legs) from models made by another manufacturer and attached to a Breyer body are not allowed.

**Regular Run (RR):** This division is for models listed by Breyer in their yearly catalogs and mid-year release catalogs. Variations of Regular Run models show in this division as well.

**Special Run (SR):** This division is for models that are limited in number or availability, and are not published in the Breyer catalogs. A comprehensive list of models that qualify for this division will be in the General Information document.

**Limited Run (LR):** This section is for models that are produced in runs of less than 160, as well as Connoisseur models. A comprehensive list of models that qualify for this division will be in the General Information document.

**OOAK** stands for One-Of-A-Kind, and includes auction models, test runs, artist proofs, etc.

**Mini Halter Division** is for adult Stablemates, Little Bits/Paddock Pals, and Mini Whinnies.

**Foal Halter Division** includes Yearlings and Weanlings.

**Customized by Amateur Owner and Novice Performance** have criteria that you must meet in order to qualify to compete in these sections. Refer to the General Information to see if you qualify.

**The Collector's Classes** are three classes where exhibitors display groups of models. These classes are not the same thing as the Collectibility classes, which are for individual models; they are separate from the other divisions and have their own rules & guidelines, found in the General Information.

**Collector's Classes:** 1) Novice      2) Open Commonality      3) Open Variety
